# Rate Definitions

---

- **Residential** – A dwelling unit with a free-standing residential building.
  - Some single family residential parcels with additional residential buildings may share connection, but require separate services charges.
  - Zoning defines parcels as residential with a minimum lot size for number of dwelling units.

- 
- **Multi-family Residential** – Housing where multiple separate housing units for residential inhabitants are contained within one or several buildings in one complex.
    - Multi-family parcels are defined by zoning
    - Multi-family lots may share a connection but require a service fee for each unit.
  
  - Type of Multi-family Residential Units Include:
    - Apartments
    - Duplex or triplex
    - Mobile home park
    - Condominiums
    - Town houses

- 
- **Commercial** – Any parcel that is not zoned for residential, including:
    - Retail
    - Restaurants
    - Light Industrial
    - Communities Service
    - Schools
    - Gas stations
    - Any non-residential connection
